CITY OF CLAWSON STANDARDS FOR ISSUANCES OF SPECIAL USE PERMITS

This Policy Statement on Special Use Permits covers all special uses in the City of Clawson. Any organization wishing to sponsor or hold a special event in any City of Clawson municipal parks or within the City will be required to complete the City of Clawson Special Use Application.

All special uses shall be reviewed by the City Manager or his/her designee prior to City Council submission. Special Uses are defined as activities which are not directly related to the day-to-day operations of the City of Clawson, but which may occur on park land, buildings or property within the City.

The City Manager, or designee, may place additional requirements on any event. These requirements may include specific staffing levels for Police, Fire, Paramedic, Public Services or other personnel. Expenses for these requirements will be billed to the sponsoring organization under the terms of the policy.

FEES:

If the application is for the use of any City property or if any City services shall be required for the Special Use, the applicant shall pay the estimated charges for rent and services. These fees must be paid prior to issuance of the approved permit.

STANDARDS FOR APPROVAL:

The City Council shall issue a permit as provided for herein when, from a consideration of the application and from such other information as may otherwise be obtained, it finds that:

- 1) The conduct of the Special Use will not substantially interrupt other regularly scheduled building or property activities.
- 2) The conduct of the Special Use will not require the diversion of so great a number of City staff that normal work activity cannot be accomplished.
- 3) The conduct of the Special Use is not reasonably likely to cause injury to persons or property.
- 4) Adequate sanitation and other required health facilities are or will be made available.
- 5) There are sufficient parking places at the park, building or property in the City to accommodate the number of vehicles reasonably expected.
- 6) No Special Use permit application for the same time and/or location has already been granted.

- 7) The duration of time the reserved area or park is unavailable due to set-up, take down and the event is not so substantial to prevent normal public use for extended periods.
- 8) The reserved area is no more than 50% of the available open space in the park.

CITY SERVICES PROVIDED FOR SPECIAL USE

The City may provide support for special uses on the following basis:

- a. **City Operated Events:** The City may operate certain special events directly. The full cost of these events will be funded by the City.
- b. **Co-Sponsored Events:** The City may co-sponsor certain events with other organizations when City Council determines that the event is of general interest to the public and advances the City's public image.
- c. **Non-Profit Events:** The City may assist other special uses operated by non-profit organizations. These events must meet the other requirements of the Special Use policy and must reimburse the City for any City costs. To qualify as a non-profit, the organization must be a non-profit as recognized by the State of Michigan or have 501(c)3 status. Organizations who have applied for non-profit status may be considered in this category.
- d. **For-Profit Uses:** The City may allow other special uses operated by for-profit sponsors, which are beneficial to the City and the public subject to a fee for the use of the public property, which is approved for each event. These events must meet the other requirements of the special use policy and must reimburse the City for any costs.
- e. **Civic, Cultural, Educational or Family Celebrations:** Use by groups whose function is civic, cultural, educational or family celebrations (graduation, reunions, etc.) may be approved under this policy. There is no residency requirement for family celebrations such as graduation parties, family reunions, etc. These events must meet the other requirements of the Special Use policy and must reimburse the City for any City costs.

SPECIAL EVENT SIGNS:

According to **City of Clawson Code of Ordinance Sec. 34-1105. Exemptions from permit requirement.** The following signs are permitted without a sign permit in all zoning districts where the principal permitted use to which they are related is a permitted principal, accessory or special approval use in that district: (4) Community special event signs approved by the city council or its designee.

LIABILITY INSURANCE REQUIREMENTS:

In order to comply with the City's insurance liability carrier, the City shall require that all sponsors of Special Uses carry Liability Insurance with coverage of at least \$1,000,000 except for Low Hazard events approved by the City Manager as provided below. An event sponsor shall be required to provide a valid Certificate of Insurance naming the City of Clawson as an additional insured prior to the event. City Council may require higher levels of insurance based on risk factors and past experience. Outcomes of past public events conducted by the group will contribute to the determination of risk category.

It shall be the policy of the City of Clawson to not routinely require insurance coverage for uses classified as Low Hazard and the City Manager may waive insurance requirements for Medium Hazard events depending on evaluation of risk at his/her discretion.

The City Manager will review each Special Use Application received and assess the potential liability risk of the City of Clawson based on the following risk categories:

LOW HAZARD – involves no physical activity by participants and no severe exposure to spectators, by way of example: indoor or outdoor meetings, small theatrical performances, auctions, and social gatherings (no alcoholic beverages).

Insurance Requirements:

Specific coverages for most events in this category, while desirable, are not absolutely necessary. If a private and/or nonprofit group is sponsoring the event, a minimum of \$100,000 per occurrence and aggregate is recommended. Often evidence of a homeowner's insurance policy may suffice.

MEDIUM HAZARD – involves limited physical activity by participants and no severe exposure to spectators. Examples include dances, political rallies, flea markets, picnics, parades with no floats, and family type concerts. **Crowd size under 10,000.**

Insurance Requirements:

- A. *Workers' Compensation & Employers' Liability, Michigan Statutory Limits of Liability.*
- B. *General Liability (occurrence basis only), with the following coverage inclusions:*
 - a. *Broad Form General Liability Endorsement*
 - b. *Independent Contractor Coverage*
 - c. *Contractual Liability*
 - d. *Products and Completed Operations*
 - e. *Community named as Additional Insured*
- C. *Vehicle Liability Coverage and Michigan No-Fault Coverages, including all owned, non-owned, and hired vehicles.*
- D. *Limits of Liability for coverage B above, shall be a minimum of \$1,000,000 per occurrence and aggregate, and for coverage C above shall be a minimum of \$1,000,000 combined single limit for Personal Injury, Bodily Injury, and Property Damage.*

HIGH HAZARD – involves major participation by participants and/or moderate to severe exposure to spectators. Examples include team or individual sporting events (non-professional), circuses and carnivals with rides, parades with floats, and marathons or similar races or any event with a **Crowd size between 10,000 and 25,000.**

Insurance Requirements:

- A. *Same as A, B, and C, in Item 2 above.*
- B. *Limits of Liability for coverage B above, shall be a minimum of \$3,000,000 per occurrence and aggregate, and for coverage C above shall be a minimum of \$3,000,000 combined single limit for Personal Injury, Bodily Injury, and Property Damage.*

SPECIAL HAZARDS:

- *Rock concerts*
- *Professional or collegiate sporting events*
- *Rodeos*
- *All vehicle races*
- *Fireworks displays*
- *All events with crowd size over 25,000*
- *All functions where alcoholic beverages are served*

Insurance Requirements:

Because of the unique circumstances involved in any of these categories of events, it is impossible to set an overall guideline. Factors such as crowd size, potential hazards, availability, and cost of insurance coverages must be taken into consideration prior to the decision.

FIREWORKS DISPLAYS

If fireworks are being held, the following rules must be strictly adhered to:

1. Displays **MUST** be contracted out to a well-recognized professional firm specializing in this type of display.
2. The firm **MUST** comply with all applicable NFPA (National Fire Protection Association) standards and all local, State, and Federal laws, statues, guidelines, or rules otherwise applicable.
3. Insurance coverages and Certificates **MUST** be secured well in advance of the event, so that they can be properly reviewed and approved.
4. Hold harmless clauses **MUST** be in place benefiting the community, and reviewed by the community's Legal Counsel.
5. Never, under any circumstances, shall an employee, volunteer, or any other person connected with the community be permitted to conduct such a display.

SERVING OF ALCOHOLIC BEVERAGES

The serving of alcoholic beverages on community premises or functions sponsored or approved by the community, must be strictly controlled and monitored. The potential liabilities that can exist or be manifested could severely and adversely impact the community. The following basics are outlined for informational use:

1. Any function where alcoholic beverages are served, and money, IN ANY FORM, changes hands, requires the issuance of a Liquor License by the Michigan Liquor Control Commission. There need not be a specific charge for the beer, wine, or liquor. For instance, if a retirement party is being held at your community house, and each individual contributes \$15 for the event, and beer is served, a license is required. To repeat: ***IF ANY FUNDS CHANGE HANDS FOR THE FUNCTION, A LICENSE IS REQUIRED.***
2. The sponsor of the event must secure the license for the privilege of using the community's facilities.
3. The person or organization who secures the license is subject to claims under the Michigan Dram Shop Act.
4. The licensee must be required to secure Liquor Liability and General Liability Coverage for all such events. The City of Clawson should be named as ***additional insured*** on the General Liability and the Liquor Liability policies.
5. The type of event, size of crowd, and other factors will dictate the Limit of Liability to be required, however, the minimum Limits of Liability should be \$500,000 for the smallest events, i.e. up to fifty (50) person crowd size.

As a result of the review of the use by the City Manager, some events may require that additional City staff or representatives of the City be on site during the event. This may result in extra costs to the event sponsor.

TRAFFIC CONTROL AND SAFETY REQUIREMENTS

The sponsor shall be responsible for complying with all traffic control and safety procedures required by the City during the event. The requirements will be indicated in the notice of approval and additional requirements may be made by the City during the event as may be necessary for the safety of the public.

PARTICIPANT WAIVER OF LIABILITY

The sponsor shall be responsible for obtaining all signed indemnification agreements as required by the City. Specific requirements may be indicated in the City's written confirmation of approval.

VENDOR AND CONCESSION

Any event that is serving food must have all food vendors approved by the Oakland County Health Department. All food vendors must supply a valid certificate of insurance naming the City of Clawson as an additional insured prior to opening of the food stand. All food vendors must post a valid temporary food license if required by the Oakland County Health Department. Food vendors are responsible for any and all fees related to obtaining a food license.

TWO OR MORE APPLICATIONS FOR THE SAME DATE

In the event that two or more applications are received for the same date and time, prior to the approval of either event, the date and time that each application was received by the City of Clawson shall determine the order of preference. Once a special use permit has been granted, it shall be the policy of the City Council to award no further permits for the same date, time and general location.

WRITTEN CONFIRMATION OF CITY APPROVAL

Upon approval of the Special Use Application, a written confirmation as to the action of City Council will be forwarded to the individual or organization requesting the event. This confirmation will outline any special conditions that must be met if the event is to be held. The City of Clawson Special Use Application must be completed for all special uses that take place in parks and property owned/controlled by the City of Clawson.

ALCOHOL IN PARKS/PUBLIC PLACES

No alcohol may be consumed in parks or on public grounds except by special permit.

NOISE

The noise ordinance must be adhered to at all times.

AMUSEMENTS

No rides, amusements, petting zoos, inflatable games, dunk tanks, generators, concessions, hot or cold air balloons without special permission and/or permits as required by City of Clawson Code of Ordinances.

TENTS

No tents may be erected without special permission.

SPORTING EVENTS

The use of facilities, indoor or outdoor, for sporting events by any group, school sponsored leagues, or other types of organizations requires all participants in such events to sign waiver forms prior to participating in any sporting event.
