

The Clawson Senior Center is still providing limited transportation and carryout meals Monday through Thursday - we ask that you call by 9am the day of to request a meal. Anyone who purchased a ticket for the St. Patrick's Day lunch tomorrow can come pickup their carryout between noon and 1pm on Tuesday, March 17. Please call (248) 583-6700 with any questions.

If you are a senior who needs non-emergency assistance with anything, please let us know and we will do our best to help with whatever we can. We also ask that any healthy, mobile residents keep an eye on any elderly or high-risk neighbors you may have (you are welcome to post our phone number on their door in case they need anything).

We know things are changing rapidly and any modifications to this plan will be posted here. We wish everyone the best of health.
